Summary

I graduated from Dokuz Eylul University Management Information Systems. I have knowledge about data warehouse, data modeling, data analysis and data visualization. I have competencies in using business intelligence tools such as MS SQL, SSIS, SSAS and Power BI. Additionally, Microsoft approved Power BI certification is among my competencies.

I am also working on various trainings and projects to improve my technical skills and master business intelligence tools.Even while in the learning process, I am highly motivated to solve problems and play an active role in data-based decision making.

Skill Highlights

- Python (Pandas)
- Microsoft SQL Server (T-SQL)
- Power BI
- SSIS (ETL)
- SSAS (OLAP)
- MS Excel

Experience

Retail Seller – December 2021 – January 2023 - **Agora**

- I made e-commerce sales on amazon.com with my personal company.

IT Intern - July 2019 – August 2019 - **Delphi Technologies**

- I helped solve employees' problems with their internet, printers, and other hardware devices.
